ENGINE TUNING THE BMC 1100s

Graham Hill recommends Speedwell Engine Kits
 "Developed by thorough dynamometer and road tests, Speedwell Engine Kits provide the greatest possible power increase with economy and reliability. Each kit is complete to the last detail with instructions to enable the enthusiast (or his Garage) to fit the equipment. For full details of all Speedwell Engine Kits, Tuning Hints and Accessories, send for the Speedwell Manual. It costs 8/6d. post free."

Clatonrite Weatherstrip and Claylastic Plastic/Metal Trim

chosen for the new JENSEN C.V.8 mk III

Jensen, the famous builders of quality performance cars have specified HCW's finishing trims for their new C.V.8 mk III. Weatherstrip glazing section surrounds the windscreen and rear window to provide a neat, waterproof seal, while revolutionary Claylastic plastic/metal filler strip adds a gleam to the final trim.
